## Membership

### Type of membership

#### Which type of membership would you like to apply to?

Please select one of the two options below:

<input type="checkbox"/>	<p><b>BASIC</b></p> <p>This is for those who wish to participate in limited manner in the Network by contributing to the development of the Circlean resource tool with their details and availability for matchmaking. In this way, they contribute to the overall progress of the network. They have registered their details and resources in the Circlean tool and therefore agree to contribute to the “Network” of resources shared online, although they do not have to actively participate in the more-advanced network activities (e.g. Task forces, network meetings).</p>
<input type="checkbox"/>	<p><b>ACTIVE</b></p> <p>This is for those who, in addition to having registered their details and resources in the Circlean tool and therefore contribute to the “Network” of resources shared online, will also be involved in the Task Forces and in specific network meetings playing a more prominent role in the activities organised to co-define the Network, establish it as a sustainable hub for industrial symbiosis in the EU, and expand its membership base, such as open innovation workshops, match-making, ad-hoc meetings, surveys, elaboration of documents, development and testing of the Circlean methodology, protocol, label and tool.</p>

### Participation in the Circlean network governing bodies

#### Would you like to be considered to join the Management Board in any of the roles foreseen below?

The description of each role can be found in the Network Governance Structure document in annex.

<input type="checkbox"/>	<b>PRESIDENT</b>
<input type="checkbox"/>	<b>VICE PRESIDENT</b>
<input type="checkbox"/>	<b>TREASURER</b>
<input type="checkbox"/>	<b>EXECUTIVE DIRECTOR</b>
<input type="checkbox"/>	<b>GENERAL SECRETARY</b>

## Experience with industrial symbiosis

**Please briefly describe the relevance of industrial symbiosis for your organisation**

*You can for instance provide examples of your involvement in industrial symbiosis activities, projects, either on-going or under development, and or examples of your support (or planned support) to industrial symbiosis activities. (max 150 words)*
